Why Choose Us

Export-Ready Sourcing

Direct connection to verified manufacturers. Factory prices, factory quality, full export accountability.

Fully Certified Supply

GOTS, GRS, Jute Mark India (JMI), SMETA — all certification and audit documentation available on request.

Custom Branding Supported

Pantone-matched screen printing, embroidery, foil stamping, digital print. Your brand executed precisely.

20+ Countries Exported

Proven international logistics, complete export documentation, and full customs compliance support.

What Drives Us

Mission

To source and export the world's finest natural fibre bags — with zero compromise on quality, complete documentation support, and the reliability that international buyers deserve.

Vision

A world where every bag tells a better story. We connect global buyers to India's finest jute and cotton manufacturers — delivering sustainable, premium products from Kolkata to every corner of the globe.

Our Product Range

Jute Bags

Shopping, promotional and corporate totes. Natural, dyed or laminated. Screen printed or embroidered. Export-ready, built to carry your brand.

Cotton Bags

Lightweight totes, muslin pouches and heavy canvas shoppers. Organic options available. Custom sized, custom printed.

Canvas Bags

Durable, heavy-weight woven cotton fabric. Clean finish, sharp print results — the premium choice for retail, hospitality and corporate gifting.

Wine Bottle Bags

Single, double and multi-bottle carriers. Wooden handles, ribbon ties, window panels. Ideal for hotels, importers and gifting programs.

Jute — The World's Most Sustainable Fibre

Jute is the world's most sustainable natural fibre — and we source only the finest verified-quality Indian jute products.

Cotton & Wine Bags

COTTON BAGS

Cotton is where softness meets versatility. We export premium cotton and canvas bags — the go-to choice.

WINE BAGS

Wine deserves packaging that matches what's inside. We export premium wine and bottle bags designed for it.

BEYOND THE BAG

We Source It All

We source it in forms that go far beyond the standard tote — from Kolkata's finest manufacturers to global buyers.

Manufacturing Process

Raw Material

Premium raw materials sourced from sustainable suppliers, ensuring only the best quality inputs.

Cutting

Precise technology creates consistent shapes and sizes, optimizing material usage and minimizing waste.

Printing

Advanced printing applies vibrant designs and custom branding aligned perfectly with client specifications.

Fabrication

Skilled craftsmanship and modern machinery ensure durability and quality in every stitch.

Quality Check

Stringent quality checks guarantee every product meets international standards. Third-party inspection available on buyer request (SGS, Bureau Veritas, Intertek etc.).

Our Industry Leading Certifications for Quality Assurance

SMETA / Sedex

Manufacturing facility audited and compliant – ensuring responsible sourcing and ethical business practices. Documentation available on request.

GRS

GRS certified facility – confirming verified use of recycled content and responsible practices. Audit documentation on request.

GOTS

GOTS certified manufacturing facility – guaranteeing products meet the highest organic and environmental processing criteria. Certificate available on buyer request.

Jute Mark India

Certified mark of authenticity and quality for genuine Indian jute products, recognized nationally and internationally.

Our Manufacturing Partner Supplies To

A trusted supplier to leading brands across hospitality, retail, FMCG, finance, and energy – from global luxury names to India's most recognized enterprises.
