Why Choose Us

Export-Ready Sourcing

Direct connection to verified manufacturers. Factory prices, factory quality, full export accountability.

Fully Certified Supply

GOTS, GRS, Jute Mark India (JMI), SMETA — all certification and audit documentation available on request.

Custom Branding Supported

Pantone-matched screen printing, embroidery, foil stamping, digital print. Your brand executed precisely.

20+ Countries Exported

Proven international logistics, complete export documentation, and full customs compliance support.

What Drives Us

Mission

To source and export the world's finest natural fibre bags — with zero compromise on quality, complete documentation support, and the reliability that international buyers deserve.

Vision

A world where every bag tells a better story. We connect global buyers to India's finest jute and cotton manufacturers — delivering sustainable, premium products from Kolkata to every corner of the globe.
